

# CONTENTS

November 1980, Vol. 59, No. 11

## CLINICAL SCIENCE

- 1930 Regional Nerve Block of the Temporomandibular Joint Capsule: A Technique for Clinical Research and Differential Diagnosis – I. KLINEBERG and J. LILLIE
- 1936 Dental Caries Prevalence in Secondary School Students in Iraq – D. W. LEGLER, W. AL-ALOUSI, and H. C. JAMISON
- 1941 Relationship Between Dental Caries Experience and Surface Enamel Fluoride Concentration in Young Men from Three Optimally Fluoridated Cities – H. J. KEENE, J. R. MELLBERG, and E. D. PEDERSON
- 1946 Some Observations on *in vitro* Dental Plaques – B. G. BIBBY and C. T. HUANG
- 1953 Inhibition of *Streptococcus mutans* by Human Plaque Flora – J. L. DEYLOFF and C. C. SANDERS

## MATERIALS SCIENCE

- 1960 Hardening Reactions in a High-Gold Content Ceramo-metal Alloy – R. M. GERMAN
- 1966 Age-hardening of Dental Ag-Pd-Cu-Au Alloys – M. OHTA, T. SHIRAISHI, K. HISATSUNE, and M. YAMANE
- 1972 Calculation of Interfacial Stress in Porcelain-fused-to-metal Systems – R. L. BERTOLOTTI
- 1978 A Non-destructive Method of Evaluating the Elastic Properties of Anterior Restorative Materials – R. WHITING and P. H. JACOBSEN

## ANNOTATIONS

- 1985 Temperature of Elastomeric Impression Materials While Setting in the Mouth – J. L. SANDRIK and T. SARNA
- 1987 Death of *Streptococcus mutans* SL-1 Following Growth in Fluoridated Medium – E. A. THIBODEAU and R. E. MARQUIS
- 1988 Strontium Uptake by Rat Enamel from Various Strontium Salts – M. E. J. CURZON and P. C. SPECTOR
- 1989 Calcium and the Response of the Rat Submandibular Gland to Insulin Stimulation *in vitro* – L. C. ANDERSON and B. L. SHAPIRO
- 1991 Partial Characterization of Deciduous Dental Pulp Mucopolysaccharidase – S. A. ALEXANDER and M. SWERDLOFF
- 1993 Prevalence of Certain Plaque Organisms in Patients with Cystic Fibrosis: A Clinical Microbiological Investigation – E. R. NEZON and W. F. LILJEMARK
- 1995 Irradiation of Rat Palate – Effects Measured by  $^{14}\text{C}$ -Octanoate Oxidation Rate Changes – R. W. BEIDEMAN and J. L. RABINOWITZ
- 1997 Immunohistochemical Localization of C-chain Collagen Peptides in Gingiva and the Dental-epithelial Attachment – J. J. SAUK

## BASIC BIOLOGICAL SCIENCES

- 1999 Comparison of Calcification Between *Bacterionema matruchotii* and *Actinomyces naeslundii* – R. E. HOWELL and B. BOYAN-SALYERS
- 2006 Characterization of Osteoblast-like Cells from Fetal Rat Calvaria – B. KADIS, J. M. GOODSON, S. OFFENBACHER, J. W. BRUNS, and S. SEIBERT
- 2014 The Expression of the Epithelial Blood-group Substances: Normal and Malignant Tissues – D. I. GEORGE, C. T. HANKS, and D. E. LOPATIN
- 2021 Repeat Measurements Analysis of Dental Data – S. WALLENSTEIN, J. L. FLEISS, and A. KINGMAN

Announcements. 1935, 1945, 1959, 1984, 1986, 1990, 1992, 1994, 1998
